

For the convenience of our students, the **Express Center, Information Center** and **Campus Store** have agreed to be open for extended hours during the first 3 weeks of classes. Additionally, they will stay open for **Graduate Orientation** on Tuesday, August 12 (9-8) and **Welcome Weekend** on Saturday, August 16 (10-3).

All three locations will be staffed to help with student's needs and to help answer any questions!
