

Biology Adjunct Instructors Needed

Spring 2019

College of Saint Mary

College of Saint Mary is seeking adjunct instructors to teach courses as listed below. All positions require a master's degree in the content area; doctorate preferred, unless otherwise listed below. College teaching experience and proficiency in instructional technology is preferred. Send a letter of application, resume, and three professional references (Include phone numbers and email addresses) to Dr. Phyllis Higley phigley@csm.edu.

- *BIO 202 Anatomy and Physiology II. Multiple sections. (1/16/19 – 05/17/19).* MS or terminal degree in related discipline.
 - ❖ This course will cover the structure and function of cardiovascular, immune, respiratory, digestive, renal, and reproductive systems, as well as metabolism and homeostatic control. Prerequisite: BIO 200/201 and CHM 100. Concurrent enrollment in BIO 203 is required.
- *BIO 203 Anatomy and Physiology II - Lab. Multiple sections. (1/16/19 – 05/17/19).* MS or terminal degree in related discipline.
 - ❖ Application of anatomical and physiological concepts in a laboratory setting. Microscopic analysis of select tissues will be coupled with cadaver inspection, models, dissections, and laboratory exercises to develop a better understanding of the body systems covered in BIO 202. Concurrent enrollment in BIO 202 is required.

College of Saint Mary is a Catholic university providing access to education for women in an environment that calls forth potential and fosters leadership. The University is an equal employment opportunity employer and does not discriminate against employees or job applicants on the basis of race, religion, color, sex, sexual orientation, gender identity, pregnancy, age, national origin, disability, veteran status, marital status or any other status or condition protected by applicable laws, except where a bona fide occupational qualification applies.
