

College of Saint Mary in Omaha, NE seeks candidates for the position of Biology Faculty and Cadaver Lab Director to begin July 2018. The successful candidate will be expected to manage the CSM 8-bed cadaver lab in support of student education, teach appropriate graduate- and undergraduate-level courses as assigned by the Program Director and work with the Master of Health Science program. He/she will participate in the development of policies, curriculum, and assessment of the program, as well as advising of students and serving on departmental and university committees.

Candidates must possess a terminal degree at the Doctoral level in an appropriate field. Experience managing a cadaver lab is preferred. Experience with clinical and medical education is preferred. Experience with cadaver-based anatomy education is required.

College of Saint Mary is minutes from a thriving downtown that boasts ample opportunities to experience art, theater, music, cultural events, beautiful gardens and a world-renowned zoo.

Application:

Please apply using the following link. Please have a letter of application, current curriculum vitae and contact information for three professional references ready to upload during the application process.
