CSMAdvantage: Designed for College Success!

CSMAdvantage is a comprehensive year-long program designed to support the new student who needs or desires extra support to succeed in college.

CSMAdvantage Students Will:

- Move onto campus early and meet staff, faculty and upper-class students who serve as program mentors.
- Learn about academic preparation, goal-setting and team-building.
- Attend skill assessment workshops.
- Start college with an understanding of class expectations and the tools needed to be successful.

What previous attendees had to say about the program:

“I really appreciate the week the CSMAdvantage staff planned for us. There was no greater feeling of relief than getting to know the campus more and having friends before the first day classes!” - Rachel

“CSM Advantage was a wonderful experience. It really prepared me for classes on campus. Along with the learning, many of the girls that participated in the program are my best friends here on campus.” - Erin
