The successful candidate is responsible for coordinating and managing the efforts of the College of Saint Mary Doctor of Physical Therapy (DPT) Program and clinical education sites in the education and preparation of PT students by performing the following activities listed in the essential functions section.

Essential Functions

- Communicate between College of Saint Mary and Affiliated Clinical Education Sites
- Clinical Education Program Planning, Implementation, and Assessment
- Clinical Site Development
- Clinical Faculty Development

Required Education and Experience

- Graduate of an accredited physical therapist professional program
- Earned doctoral degree (clinical or academic)
- Licensed or eligible for licensure in the state where employed
- Minimum of 3 years of experience as a licensed physical therapist
- Minimum of 3 years of clinical teaching and/or clinical coordination experience
- Able to work with students with special needs based on the Americans with Disabilities Act
- Knowledge of legislative, regulatory, legal, and practice issues affecting clinical education, students, and the profession of physical therapy
- Design and conduct research in clinical education or related areas
- Member of the American Physical Therapy Association
- Able to initiate, administer, assess, and document clinical education programs

Preferred Education and Experience

- Prior teaching experience in distance education
- Earned academic doctoral degree or enrolled in or desire to pursue doctoral studies
- Clinical specialization
- Knowledge of educational, management, and adult learning theory and principles
- Active in clinical practice, especially as applicable to clinical education
- Active in professional activities at local, state, and/or national levels
- Earned status as an APTA Credentialed Clinical Instructor
