

BSN/Nursing Adjunct Instructors Needed

Fall 2018

College of Saint Mary

College of Saint Mary is seeking adjunct instructors to teach courses as listed below. All positions require an MSN degree or progress towards an MSN degree. Most hires require applicants to be available to teach nights and weekends. College teaching experience and proficiency in instructional technology is preferred. If interested, send a letter of application, resume, and three professional references (Include phone numbers and email addresses) to [Dr. Christi Glesmann](#), unless otherwise noted below.

NUR 200: Psych/Mental Health Nursing - clinical

8/22/2018 - 12/14/2018

Wed., Fri. 7:00 AM - 3:00 PM

- Students are introduced to theoretical concepts and principles of psychiatric-mental health nursing. The concepts and principles are integrated in the provision of holistic nursing care for vulnerable individuals, families, and groups in a variety of psychiatric inpatient and outpatient settings.

NUR 201: Public Health Nursing - clinical

8/22/2018 - 12/14/2018

Wed., Fri. 7:00 AM - 3:00 PM

- Students are introduced to theoretical concepts and principles of public health nursing. The concepts and principles are integrated in the provision of holistic nursing care for vulnerable individuals, families, groups, communities, and populations in a variety of outpatient and public health settings.

NUR 203: Maternal Newborn Nursing - clinical

8/22/2018 – 10/19/2018

Tues, Fri, and/or Sat 7:00 AM – 5:00 PM

- Students are introduced to theoretical concepts and principles of maternal/newborn health nursing. The concepts and principles are integrated in the provision of holistic nursing care.

NUR 204: Pediatric Nursing - clinical

10/22/2018 – 12/14/2018

Tues, Fri, and/or Sat 7:00 AM – 5:00 PM

- Students are introduced to theoretical concepts and principles of pediatric nursing. Course will focus on, health promotion, health maintenance, and the study of diseases and disorders.

College of Saint Mary is a Catholic university providing access to education for women in an environment that calls forth potential and fosters leadership. The University is an equal employment opportunity employer and does not discriminate against employees or job applicants on the basis of race, religion, color, sex, age, national origin, disability, veteran status, marital status or any other status or condition protected by applicable laws, except where a bona fide occupational qualification applies.

Fall 2018

College of Saint Mary

NUR 300: Acute MedSurg Nursing - clinical

8/22/2018 - 12/14/2018

Thur, Fri 7:00 AM - 3:00 PM

- Students are introduced to theoretical concepts and principles of acute medical/surgical nursing. The concepts and principles are integrated in the provision of holistic nursing care for vulnerable individuals, families, groups, communities, and populations in medical/surgical settings.

NUR 302: Health Assessment

8/22/2018 - 12/14/2018

Tuesday 8:00 AM - 12:00 PM, 1:00 PM – 5:00 PM

- The course is designed to help students refine history taking, along with physical, psychosocial, and spiritual assessment skills. Students will synthesize knowledge from general education and nursing courses during a health assessment of individuals throughout the lifespan from multicultural and diverse backgrounds.

If interested in NUR 302, please contact Brittney Fritzinger at bfritzinger@csm.edu
