

BSN/Nursing Adjunct Instructors Needed

Spring 2019

College of Saint Mary

College of Saint Mary is seeking adjunct instructors to teach courses as listed below. All positions require a MSN degree or progress towards an MSN degree, and at least 1 year of experience in the clinical area. If interested, send a letter of application, resume, and three professional references (Include phone numbers and email addresses) to [Dr. Christi Glesmann](#), unless otherwise noted below.

NUR 101: Fundamentals of Nursing –Theory/Clinical

January – May 2019

Tuesday and/or Thursday 7:00 AM - 3:00 PM

- This nursing course will provide the theoretical framework upon which subsequent nursing courses will build. Students are introduced to theoretical concepts and principles of patient-centered care, nursing process, communication, safety, and leadership. The concepts and principles are integrated in the provision of holistic nursing care for the general population with a focus on aging individuals and their families in the clinical laboratory and long-term care settings.

NUR 200: Psych-Mental Health Nursing

January – March 2019

Wednesday and/or Friday 7:00 AM - 3:00 PM

- Students are introduced to theoretical concepts and principles of psychiatric-mental health nursing. The concepts and principles are integrated in the provision of holistic nursing care for vulnerable individuals, families, and groups in a variety of psychiatric inpatient and outpatient settings.

NUR 204: Pediatric Nursing - clinical

January – May 2019

Tuesday, Friday and/or Saturday 7:00 AM – 3:00 PM

- Students are introduced to theoretical concepts and principles of pediatric nursing. Course will focus on, health promotion, health maintenance, and the study of diseases and disorders.

NUR 303: Health Assessment

January – May 2019

Tuesday and/or Wednesday 7:00 AM - 3:00 PM

- This course focuses on the role of the professional nurse in caring for individuals with multi-system alterations. Students will integrate and expand on previously learned skills and theories. Students will have opportunities to apply principles of prioritization, delegation, and coordination of care as part of the interdisciplinary care team.

College of Saint Mary is a Catholic university providing access to education for women in an environment that calls forth potential and fosters leadership.
