

COLLEGE OF SAINT MARY
SUMMER 2014
FINANCIAL AID APPLICATION
Please read carefully before completing

1. If you are a new student or a returning student who must be readmitted, you must be accepted for admission as a degree or certificate-seeking student to CSM before completing the Summer Financial Aid Application.
2. Arrange for CSM to receive the results of your 2013-2014 FAFSA.
 - If you filed a 2013-2014 FAFSA but did not list College of Saint Mary, you must add our school code (002540) to your FAFSA. You may submit the correction online at www.fafsa.gov.
3. Verification: Respond promptly if you (and your parents) are required to submit verification documents. Your summer financial aid will not be processed until the documents are reviewed.
4. Attach a copy of your summer class schedule. To receive Federal student loan assistance, you must enroll at least half time (six credits). Any combination of summer sessions can be used to reach the half-time enrollment level.
5. Aid will be revised if you enroll in different credits than you indicate on the Summer Financial Aid Application. You must contact our office immediately if your summer enrollment plans change. Since your financial aid awards are based on anticipated enrollment, changes in enrollment may require you to repay financial aid that has already been received.
6. Financial Aid will send you a summer financial aid award letter which you must sign and return to access your summer financial aid. If necessary, instructions will be included to complete the Stafford loan Master Promissory Note and entrance counseling online.

PLEASE NOTE

If you do not begin and complete attendance in each of the classes on which your aid is based, the Financial Aid Office will have to complete the Return of Title IV funds calculation to determine how much of your aid you earned. Any unearned aid will have to be returned to the source and you will owe a balance on your student account.

Tuition and fees for summer sessions are due May 19, 2014, regardless of the availability of summer financial aid. To avoid a \$100 late fee, complete your summer SFA (Semester Financial Arrangements) at www.csm.edu/sfa before May 19, 2014.

The due date for the Summer Financial Aid Application is May 5. Applications received after this date cannot be guaranteed to have financial aid processed prior to the start of classes and SFA due date.
