Mission Statement of Student Occupational Therapy Association (SOTA)
It is our goal to share our knowledge of occupational therapy for the benefit of ourselves as members, fellow students of the college, the academic community, and the general public. We also keep all active members informed and up to date on issues relevant to occupational therapy.

Who can join?
Any occupational therapy or pre-occupational therapy student at CSM can join SOTA.

What are the fees?
The membership dues are $10.00 per year with reductions given if it is shown as necessary.

Why should I join?
When you join SOTA, you can be involved in what is going within CSM, NOTA, and AOTA. It also gives you the chance to begin networking with other occupational therapy students and provides educational and volunteer opportunities. With your membership in SOTA, you can also gain skills for professional development in your career.
