## *Four medical students study in Holdrege*

Four medical students are completing part of their education at medical facilities in Holdrege.

Marnie Thrasher is a medical student at the University of Nebraska Medical Center and is studying to become a Physician Assistant following graduation in December. She is from Omaha and is with Family Medical Specialties and Phelps Memorial Health Center for three months on her rural family practice rotation..

Chris Jensen, third year medical student is also studying with the University of Nebraska Medical Center, Omaha, as he works toward his medical doctor degree.

He is in Holdrege working an eight-week rural family practice rotation with Family Medical Specialties

and PMHC.

He is originally from Kearney and is interested in emergency medicine.

Jill Westcott is a third year medical student at UNMC. She is on her second rotation in Holdrege. This time it is in family practice with Dr. Richard Reiner, High Plains Clinic.

She will be here two months and said she is interested in OB or surgery for the future.

Micah Pearson is an Occupational Therapy Student at the College of St Mary, Omaha, and is working a two month rotation at PMHC and the Phelps Memorial Therapy Center. Her preceptor, is Lauren Senn, OT. Micah graduates in May.
