walk, golf outing revs up – **Please all mark your calendars for this time
and date as it will be the last meeting before the "Swinging for
Scholarship"s golf outing.**

8. Other news or questions.

Excellent ideas –

1. Mr. Meidlinger – hospitality area for soccer games – tent and some
snacks and beverages – Lein will look into – and send some ideas out and
have something for Saturday's game vs. William Penn – also talked about – if
you are a boost-her member – you can bring a guest into the area

2. Mr. Hopkins mentioned that we need to make sure we are staying in contact with those who join. Lein does call and thank those who join and a small tribute is sent to each member. Lein will begin writing a small letter thanking boost-hers each month and reviewing Saint Mary news. Contact and communication are important and the boost-hers should feel a part of the athletic program.

9. Lein introduced Chuck Brewer, candidate for head softball and athletic promotions and marketing.

10. Lein thanked Mr. Hopkins again for Holiday Inn's help this past week in assisting the volleyball and cross country programs. And First National for all their help in the boost-her drive.

Meeting adjourned, 7:01 PM.
