COLLEGE OF
SAINT MARY

Chemistry Faculty
(open rank)

The College of Saint Mary seeks to hire a faculty position for Chemistry. This is a 10-month (open rank) faculty position with opportunity for promotion and renewable extended contract. The successful candidate will be expected to teach General Chemistry, Organic Chemistry, and Upper-Level Chemistry courses (based on areas of expertise). They will also be expected to develop undergraduate specialty courses in their area of expertise and mentor students in undergraduate research.

Our Ideal Candidate's Education and Experience:
- A completed Ph.D. in Chemistry or a related field
- Experience in laboratory instruction, preparation, and maintenance is desirable
- A demonstrable ability to teach lecture and laboratory courses to undergraduates demonstrating a wide array of preparedness

This Position Is Responsible For:
- Teaching 12 workload credit hours per semester
- Holding 10 office hours per week
- Program assistance as needed
- Collaborating with colleagues across disciplines to support student success

Why You Want to Be on This Team:
- You would be a part of a Mission-centered team, who work together to serve our community.
- You would enjoy full-time benefits including health insurance, paid time off, tuition remission programs, 403(b) with employer match, employee wellness time, and more!
- CSM is committed to supporting the work-life balance of its faculty and staff.

Application:
During the application process, please be prepared to upload a letter of application, current curriculum vitae, statement of teaching philosophy, and current contact information for three professional references.
