

College of Saint Mary strives to create a safe, inclusive educational environment where every person's worth and dignity is valued and nurtured. Applicants representing diverse backgrounds and experiences are highly encouraged to apply.

Chemistry Visiting Lecturer

Spring 2023 semester

The chemistry lecturer will teach undergraduate courses involving Biochemistry and Fundamentals of Chemistry lecture and lab courses and perform research using HPLC, GC-MS, Bomb Calorimeter and other spectroscopic and chromatographic instruments in the program.

Our Ideal Candidate Is Someone Who:

- Is a positive, energetic, competent, and caring professional who wants to join excellent faculty dedicated to teaching.
- Desires to serve students from diverse backgrounds.

Our Ideal Candidate's Education and Experience:

- The candidate should have completed a Ph.D. in Biochemistry or a related field and have some college level teaching experience.
- Readiness to teach in a student-centered environment; commitment to education of undergraduate women; effective interpersonal relationship skills

This Position Is Responsible For:

- Teach 12 credit hours of chemistry courses
- Maintain instruments as per departmental needs
- Hold 10 office hours per week and be accessible to students
- Provide assessment data from courses

Why You Want to Be on This Team:

- You would be a part of a Mission-centered team, who work together to serve our community.
- You would enjoy full-time benefits including health insurance, paid time off, tuition remission programs, 403(b) with employer match, employee wellness time, and more!
- CSM is committed to supporting the work-life balance of its faculty and staff.

Application:

CSM is committed to building a diverse educational environment. During the application process, please be prepared to upload a letter of application, current curriculum vitae, statement of teaching philosophy (including information on ways in which your inclusive pedagogy contributes to building and supporting diverse communities), and current contact information for three professional references.
