33%

College of Saint Mary is committed to providing access to an affordable, quality education. That's why we reduced tuition by 33 % a few years ago. As a result, CSM **student loan borrowing has decreased by 30%** between 2017 and 2019, and we're serving more students with a high financial need. We are now expanding financial literacy programming and collaborating with faculty to reduce student textbook costs. Learn more about the recent tuition reduction at [CSM.edu/FinancialAid](https://www.csm.edu/FinancialAid).
