

College of Saint Mary strives to create a safe, inclusive educational environment where every person's worth and dignity is valued and nurtured. Applicants representing diverse backgrounds and experiences are highly encouraged to apply.

Anatomy Lab Adjunct Instructor, Fall 2022

Position Type: Part time, temporary, approximately 10 hours/week

Expected Hours of Work: Tuesday, 1-5pm; Thursday, 1-5pm; Friday 1-3pm

Course: PAS500: Clinical Anatomy

Essential functions: Our ideal candidate will assist in classroom instruction, preparing and delivering anatomical demonstrations, create prosections, assist with student dissections, help with the creation of practical (identification) examinations, and aid cadaver lab director with overall upkeep of the lab.

Knowledge, Skills and Abilities

- Comfortable around whole-body donors (cadavers)
- Advanced anatomy knowledge
- Dissection experience
- Instructional experience (preferred)

Required Education and Experience

- Recent completion of a graduate-level Gross Anatomy course (within last five years) or currently working as a gross anatomy lab instructor

Our Ideal Candidate is Someone Who:

- Is enrolled or has completed a M.S. in Anatomy or a related subject with graduate Anatomy courses completed
- Has a desire to serve students from diverse backgrounds
- Works well within a team environment

To Apply:

- Submit your cover letter, C.V. and list of references to Amy Burggraff @ aburggraff@csm.edu
